UNITED NATIONS CONFERENCE ON
STRADDLING FISH STOCKS AND
HIGHLY MIGRATORY FISH STOCKS
New York, 12-30 July 1993

ELEMENTS OF AN INTERNATIONAL AGREEMENT ON THE CONSERVATION AND MANAGEMENT OF STRADDLING FISH STOCKS AND HIGHLY MIGRATORY FISH STOCKS ON THE HIGH SEAS

(Working paper submitted by the delegations of Chile, Colombia, Ecuador and Peru)

Corrigendum

Page 6, section IV, subsection 1

Insert new subparagraph (c) as follows:

(c) In the case of the South-East Pacific, the list of species should not include stocks of larger cetaceans regulated by the International Whaling Commission (IWC) or any other organization which may succeed it. Other highly migratory species whose exploitation is regulated by specific regional or global agreements, such as, inter alia, the Inter-American Tropical Tuna Commission (IATTC), should also be excluded from the list.
